

Dear Falcon Ridge School Community,

I am excited to share that our school is partnering with Playworks to help reboot our recess!

We are proud to partner with Playworks to make recess a fun, inclusive time for every student in our community. Playworks is the leading national nonprofit using play to transform schools. A Playworks recess creates a place for every kid on the playground to feel included, be active, and build valuable social and emotional skills.

Get Excited! Playworks Trainer Amanda Jolley, will be at our school on Monday, September 21 through Thursday, September 24, 2020. Playworks' main focus will be to help us assess and set goals for our school recess, provide our staff with additional professional development, as well as launch and demo best practices that will help bring safe and healthy play to our school!

Coach Jolley will be joining the school through a Zoom assembly on Monday to introduce herself and her role during the week. During the week, staff and students will learn new skills and expectations for safe and fun recess games and activities. To learn more visit the Recess Reboot welcome page at www.playworks.org/services/welcome/recess-reboot.

Thank you for your support and please join me in welcoming Coach Jolley to Falcon Ridge Elementary!

Sincerely,

Theresa Christensen, MAT, Ed.S.
Principal
