How do I know who my student's teacher is?

You can see who your student's teacher is under the Schedule tab on your Family Access. You will be able to see if your Kindergartner has AM or PM by looking at the room number under the Schedule tab and seeing if there is an A (AM) or a P (PM). If you were hoping for the opposite of what was assigned to you, please let the teacher know when you come in for your assigned assessment. They will put you on a list and do their best to accommodate you if possible.
